

## WAYS TO FUNDRAISE

**HOT TIP: When you donate to yourself, others will give more to you!**

- Create a donation page and add your personal story or quote once you register. Use this to post on Facebook or include it in an email to raise money!
- Ask every member on your team to make a self-donation of \$20. How many people can you get to match that???
- Bring your lunch at least once a week and put that “lunch” money toward your fundraising.
- Bring your coffee to work once a week for a month and donate \$25.00 + to your fund.
- Have a car wash with your friends and make big signs with Pink Ribbons so that people know that the funds will go to breast cancer.
- Post a sign on your office door / window. Ask for \$1, \$5, or more!
- Put a collection box on your office desk – make it fun and pink. Talk about the event!
- Host a Game Night for your teammates, friends and family. Entrance to the games would be a donation to your fundraising.
- Host a BAKE SALE at work or in your neighborhood. Everyone loves homemade cookies and cakes.
- Create a Poker Night with friends – Make the ante \$25 or \$50 and put it toward your fundraising!
- Host a neighborhood garage sale, then donate the proceeds to your fundraising.
- Have a birthday before Girlfriends? Ask for a donation to Girlfriends in your name – give them the link to your page and watch the money roll in!!
- Create a raffle or auction with packages, then donate the money to your fundraising.
- Raffle off a special parking space which is close to the office and donate the funds.
- Create a lawn sign and ask neighbors for donations!
